The Fairman Cowan Collegiate Lecture Series

For 30 years, The Research Bureau has worked diligently to inform public policy in Greater Worcester. In celebration of our 30th Anniversary, we invite you to join our college and university partners in exploring the other groundbreaking research going on in our region through the Fairman Cowan Collegiate Lecture Series.

“From Salamanders to Stem Cells: Key Role for Veterinary and Medical Doctors in Advancing Regenerative Medicine”

**Andrew M. Hoffman, Director, Regenerative Medicine Laboratory,
Cummings School of Veterinary Medicine**

*Wednesday, September 16, 2015
5:30 P.M.*

Cummings School of Veterinary Medicine at Tufts University
Jean Mayer Administration Building
Kohnstamm Conference Room, 1st Floor, Room 106
200 Westboro Road, North Grafton, MA 01536

The Research Bureau is pleased to join host Tufts University for the ninth Fairman Cowan Collegiate Lecture and a discussion by Andrew Hoffman, Director of the Tufts Regenerative Medicine Lab, of the origins of regenerative medicine and regenerative biology and the role of veterinary medicine in improving the human condition.

*The lecture will be followed by a brief reception.
Seating is limited. RSVP to info@wrrb.org.*

The Fairman Cowan Collegiate Lecture Series is free and open to the public.
