The Fairman Cowan Collegiate Lecture Series

For 30 years, The Research Bureau has worked diligently to inform public policy in Greater Worcester. In celebration of our 30th Anniversary, we invite you to join our college and university partners in exploring the other groundbreaking research going on in our region through the Fairman Cowan Collegiate Lecture Series.

“Advances and Challenges in Eradicating Pediatric HIV Infection”

*Thursday, October 15, 2015
5:30 P.M.*

**UMass Medical School
Albert Sherman Center
55 North Lake Avenue
Worcester, MA**

The Research Bureau is pleased to join host UMass Medical School for the tenth Fairman Cowan Collegiate Lecture and a discussion by Dr. Katherine Luzuriaga on advancements in efforts to eradicate HIV infection among infants and children.

The lecture will be followed by a brief reception. UMass Medical School is offering complimentary parking for attendees. Please park in the employee parking garage located on First Road adjacent to the Albert Sherman Center on the west side of the main lawn.

Seating is limited. RSVP to info@wrrb.org.

Come Experience the Intellectual Capital of Worcester!
