Dear Thomas S. Green Public Service Awards Committee,

I couldn't be more honored to nominate Kenneth J. Tambolleo, Head Custodian at Forest Grove Middle School, for the Thomas S. Green Public Service Award. Ken is an outstanding public servant with an excellent rapport among his colleagues and an always friendly and caring attitude. Always on time and never shying away from extra effort, Ken is an incredible worker who contributes so much to our school district. To put it bluntly, he epitomizes the ideal citizen.

When walking along the halls of Forest Grove Middle School, one thing that is always noticeable is the cleanliness and care that shines throughout the building. Ken takes great care and pride in his work and it shows every single day. I believe you would be hard pressed to find someone who is more efficient and competent at their work with the amount of enthusiasm that Ken has. One thing that this certainly leads to is a trickle-down effect amongst his colleagues and peers. Everyone at Forest Grove Middle School benefits by having Ken on staff. His work-ethic is infectious and any school would be more than fortunate to have another Ken on their team.

For these reasons, I hope you will consider and honor Ken for his work and contribution to our community.

Thank you for your consideration.

Yours truly,
