

The Research Bureau

Presents

Minimizing Risk

In January 2018, The Research Bureau released *Minimizing Risk: The Implications of a \$15 Minimum Wage for Worcester*. In the report, The Research Bureau reviewed the history of the minimum wage both nationally and locally and highlighted the potential impacts of an increase of the minimum wage locally to \$15/hour. This panel of experts will discuss the purpose and outcomes of a minimum wage and the rationale behind recent initiatives.

Panel:

- **Ramon Borges-Mendez, Ph.D.**, Clark University
- **The Honorable Daniel M. Donahue**, State Representative
- **W. Stuart Loosemore, Esq.**, Worcester Regional Chamber of Commerce

Moderator:

- **Jeremy Thompson**, Massachusetts Budget & Policy Center
