

WORCESTER ALMANAC: DISCUSSING DATA

The **Worcester Regional Research Bureau** released the sixth edition of the [Worcester Almanac: 2020](#). This compendium of information on all things Greater Worcester serves as a resource to municipalities, businesses, nonprofits, and community members alike.

In the spirit of the Almanac, we are pleased to announce that we are hosting a forum, highlighting key data from the report and bringing together experts from multiple fields to discuss how data inform their decision-making.

PANELISTS

Jennifer Davis Carey, Executive Director, Worcester Education Collaborative

Eric Batista, Director of the Office of Urban Innovation, City of Worcester

Barbara Fields, President & CEO, Greater Worcester Community Foundation

Following the forum, we will hold short networking breakout groups, moderated by WRRB Board members, for interested parties to discuss specific data elements on the following categories.

Government & Finance
Demographics & Economy
Health
Education
Children

Demitrios M. Moschos, Esq., Mirick O'Connell
Sherri Pitcher, Fidelity Bank
Kate McEvoy, UMass Memorial Health Care
Barry Maloney, Worcester State University
Karen Ludington, Esq., Children's Friend
